# Welcome by National Erasmus+ Office - Jordan

# Snapshot - ICM

# Testimonies

- Erasmus+ is not only a semester in my life, its my life in one semester!

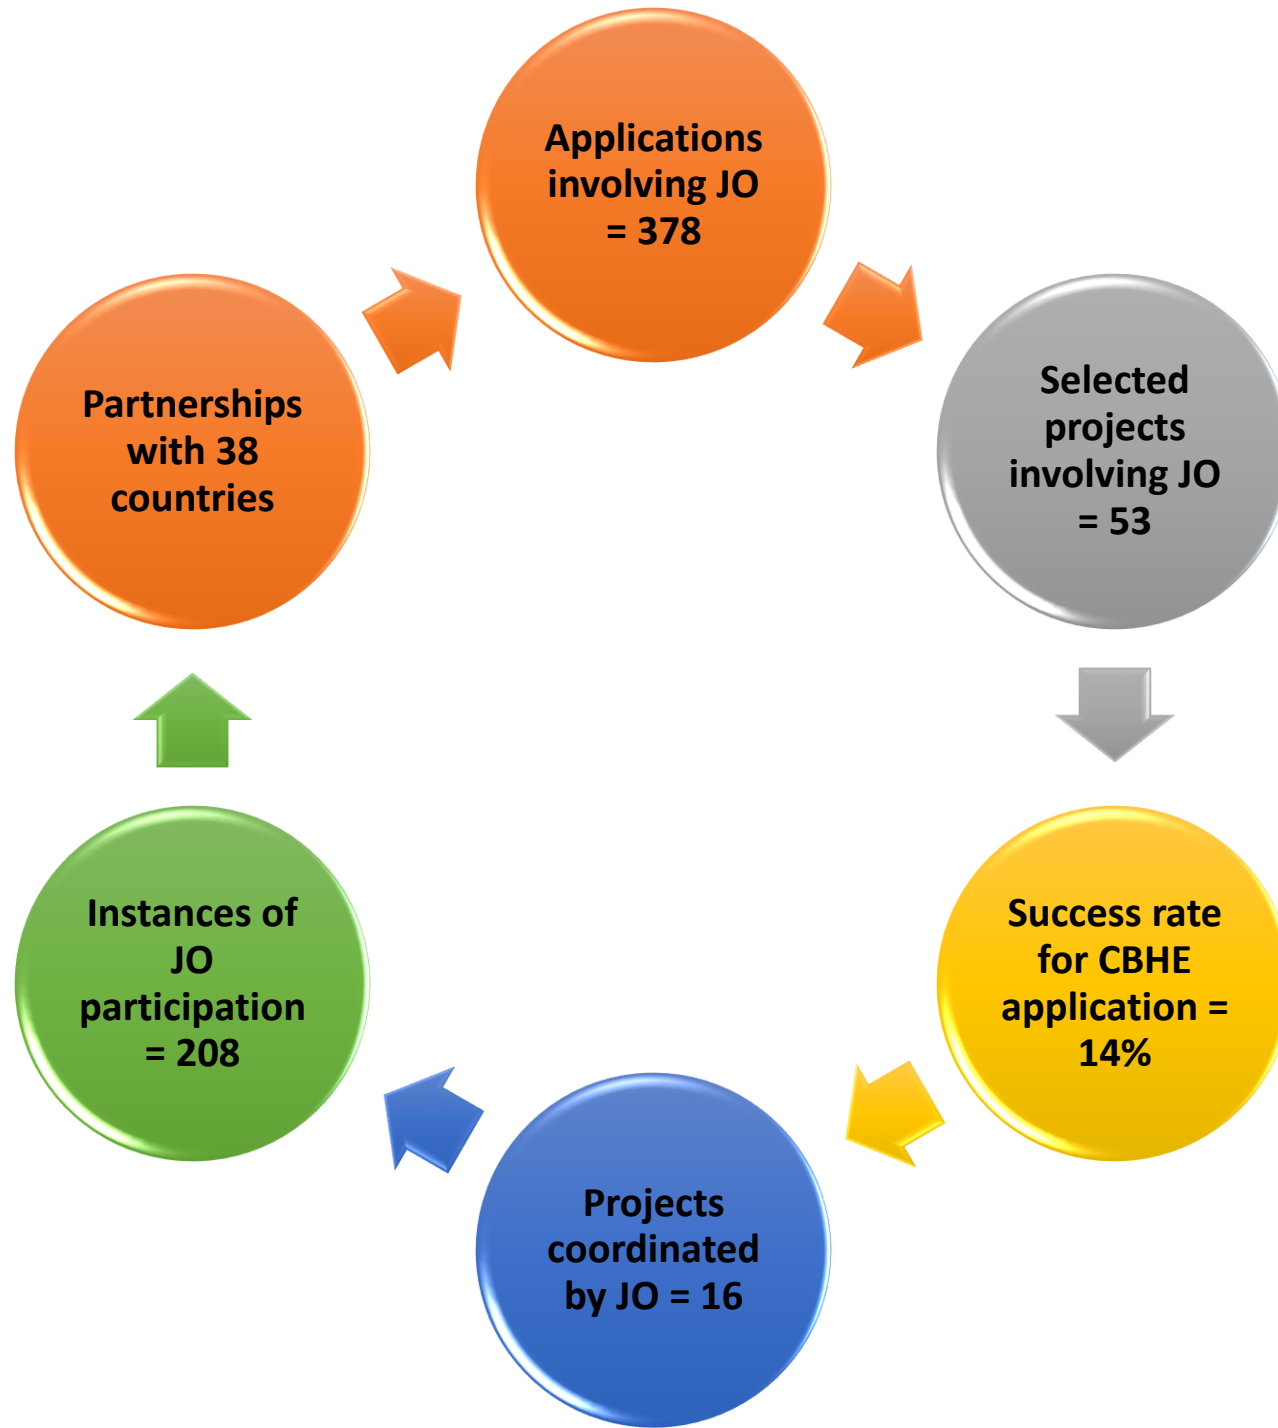

The few months I spent there had polished my academic and social skills.

It was hectic, a lot of work in a very limited time, but I'll do it again.

The Erasmus ICM here in Jordan involves the opportunity to learn Arabic from within, to be immersed in the culture and its people, but also to discover yourself again.
