Thermophysical properties of lithium hydride, deuteride, and tritide and of their solutions with lithium

	Author	Shipilrain,E.E. ...[et al]. Amoretty,Stephen J.
	Publication Data	New York: American Institute of Physics, 1987
	Physical Description	XV, 213p
	Series Data	AIP translation series;
	Subject Area	Engineering
	Subject Headings	Lithium hydride -- Thermal properties -- Handbooks, manuals, etc. Solution (Chemistry) -- Thermal properties -- Handbooks, manuals, etc. solids -- Thermal properties - - Handbooks, manuals, etc.
	Call Number	620.198 THE
