CMOS/BICMOS ULSI: low voltage, low power

	Author	Yeo, Kiat-Seng Rofail, Samir S. Goh, Wang-Ling
	Publication Data	New Delhi: Pearson Education, 2002
	Physical Description	XXXV, 585p
	Subject Area	Engineering
	Subject Headings	Low voltage integrated circuits -- Design and construction Intergrated circuits -- Ultra large scale integration -- Design and construction Metal oxide semiconductors, Complementary -- Design and Constraction
	Call Number	621.395 YEO
