Demystifying switching power supplies

	Author	Mack, Raymond A. (Author)
	Responsibility Data	Raymond A. Mack
	Publication Data	Amsterdam: Elsevier, 2005
	Physical Description	xiv, 323 p.
	ISBN	0-7506-7445-8
	Subject Area	Engineering
	Subject Headings	Switching circuits -- Design and construction Power semiconductors -- Design and construction Semiconductor switches -- Design and construction Switching power supplies -- Design and construction
	Call Number	621.317 MAC
