Spotlight synthetic aperture radar: signal processing algorithms

| | | |
|------------------------------------------------------------------------------------|-----------------------------|-----------------------------------------------------------|
|  | Author | Carrara,Walter G. Goodman,Ron S. Majewski,Ronald M. |
| | Publication Data | Boston: Artech House, 1995 |
| | Physical Description | XIV, 554p |
| | Subject Area | Engineering |
| | Subject Headings | Synthetic aperture radar Signal processing Algorithms |
| | Call Number | 621.3848 CAR |
| Philadelphia University Library 2011 | | |
