### Problems in metallurgical thermodynamics and kinetics

|  |                             |   |
|--|-----------------------------|---|
|  | <b>Author</b>               | Upadhyaya,G.S.<br>Dube,R.K.   |
|  | <b>Publication Data</b>     | Oxfprd: Pergamon Press, 1977  |
|  | <b>Physical Description</b> | XVI, 252p   |
|  | <b>Series Data</b>          | International series on materials science and technology;<br>v. 25; |
|  | <b>Subject Area</b>         | Chemical industries   |
|  | <b>Subject Headings</b>     | Chemistry--Metallurgical Thermodynamics                             |
|  | <b>Call Number</b>          | 669.9 UPA   |
| Philadelphia University Library 2011   |                             |   |
