Challenge → Kairouan Signature

#### Archéologie et valorisation du patrimoine

This theme's role is to provide an exclusive signature to the region of Kairouan and its visibility internationally through the university that will play a fairly important role.

o Choice of sub-themes : Archaeology, Anthropology, Arts and Entertainment, Applied Languages, Multimedia and mediation, property Management: Management and marketing.

## Conclusions

- Internationalization is one route to being world class.
- The new University must define its reasons for internationalizing in its strategy.
- Strategic partnerships are at the heart of internationalization.
- Developing an effective partnership is hard work / Important
- We must Consider what type of academic partnership we want.
