

CURRICULUM VITÆ

Ahmad A. S. Thainat

Introduction I would describe myself as an honest, motivated and well-organized person who enjoys a challenge, performs well under pressure and can meet deadlines. My open outlook and sense of humor gives me the ability to relate well to people at all levels.

I strive to be the best at whatever I do, pay close attention to details and have a strong desire to continue learning. I enjoy achieving my goals by using initiative, creativity and lateral thinking, either individually or by motivating and assisting others to perform at their best.
