The fifth ACS/IEEE International Conference on Computer Systems and Applications (AICCSA-07) will be held in Amman, Jordan in May 2007. **This is an ideal time to be in Jordan and the Middle East.** AICCSA is the premier Computer Science and Engineering Conference in the Middle East and North Africa. Authors are invited to submit papers describing new advances in computer systems and their applications. We welcome papers that are theoretical, conceptual, descriptive in nature, or a survey of the state of the art

Topics of interest include, but are not limited to:

- Algorithms and Bioinformatics
- Embedded Systems and Applications
- GIS/GNSS Methodologies and Applications
- Modeling and Simulation
- Networking and Wireless Technology
- Parallel and Distributed Systems
- Performance Evaluation
- Software Engineering and Applications
- Database and Data Mining
- E-Learning
- Internet Technology and Applications
- Multimedia and Digital Watermarking
- Neural Networks and Adaptive Learning
- Pattern Recognition and Image Processing
- Security and Information Assurance
- VLSI Circuits and Systems

Important Dates

Paper and Poster Submissions:	October 30, 2006
Workshop, Tutorial, Panel Submissions:	October 30, 2006
Notification of acceptance:	January 22, 2007
Camera ready copy due:	February 24, 2007
Author Registration:	February 24, 2007

Proceedings
Papers selected for presentation will appear in the Conference Proceedings, which will be published by the IEEE Computer Society and be available at IEEE XploreTM. *Extended versions of selected accepted papers at AICCSA 2007 will be considered for possible publication in scholarly journals.*

Submission Guidelines Regular Papers
Papers must be submitted electronically by October 30, 2006. Each paper will be evaluated by at least three reviewers, and will be accepted based on its originality, significance and clarity. Papers must not exceed 6,000 words or 20 pages double spaced 10-12-point font. Papers must not be published or under consideration to be published elsewhere.

Short Papers
Submitted papers that are deemed of good quality but could not be accepted as regular papers will be accepted as short papers.

Posters and Doctoral Symposium
Research still in early stages and doctoral research proposals may be submitted as extended abstracts that must not exceed 750 words. Accepted abstracts will be included in a special poster session dedicated to doctoral research proposals and related research. Extended abstracts should be submitted directly to the Posters Chairs.

Workshops Tutorials and Panels Submissions
Proposals for workshops, tutorials and panels should be submitted directly to the appropriate chair.

Travel Note:
Quen Alia International Airport in Amman is about 20 miles from the center of Amman. We are negotiating with airlines for special rates for conferences participants.

Questions:
