### **Attendance Policy** (See Article 8 of the University regulation Guideline)

Attendance will be taken by the instructor at the beginning of each class. **On-time** and **regular** attendance is necessary for you to successfully achieve a good mark. Habitual tardiness is considered to be rude and disruptive behavior. An absence is recorded for any reason the student fails to attend class. However, an accumulation of 15% absentia of the total module's hours result in that student will be withdrawn from the module by the module's instructor.

### **Module policy requests**

The instructor is the last person to enter the lecture room and the first to leave, therefore, students will not be permitted to attend the class once the lecture has started.

Cellular phones or beepers must be turned off or put on silent during the lecture. If for any reason a student receives a call in the lecture, he/she should leave the classroom out of courtesy for fellow students. However, students should keep in mind that he/she will not be allowed into the classroom

### **Expected Workload**

On average, the student is expected to spend at least (3 ) hours per week of self-studying for this module. The student will be expected to spend 1 hour for reading the lecture's topic before the lecture's due time and half an hour for revision of the lecture.

From time to time, I will give you a quiz which will be counted towards the total average of the module, and the aim of these quizzes is to see how prepared you are for a given lecture.

***My role is to help you to understand the module's material, so please don't hesitate to ask if you are unclear about anything.***
