## Electrical engineering concepts and applications

**Material Type**: Book  
**Language**: English  
**Title**: Electrical engineering concepts and applications  
**Author(S)**: A. Sruce Carlson, David G. Gisser, Fred K. Manasse  
**Publication Data**: Reading, Mass: addison--Wesley pub. co.  
**Publication Date**: 1981  
**Physical Description**: XVI, 765p  
**Subject**: Engineering  
**Subject Headings**: Electric engineering, electric circuits, Linear Electronic devices, Electronic circuits, Electric power systems  
**ISBN**: NA  
**Copies**: NA
