#### Material Type
- Book

#### Title
- Seven hundred 700 solved problems in vector mechanics for engineers Volume II Dynamics Schaum's solved problems series

#### Language
- English

#### Author(S)
- Joseph F. Shelley

#### Publication Data
- 1991

#### Physical Description
- XII, 720p

#### Subject
- Engineering

#### Subject Headings
- Mechanics applied Problems exercises etc. Vector analysis etc.

#### ISBN
- NA
