

CURRICULUM VITAE

1-Personal information:

Name : Fatma Kamal Ali Ahmed

Position :

- Assistant professor of Obstetrics & Gynecological Nursing- Faculty of Nursing-Benha University (accredited Faculty)- Egypt
- Associate Professor of Maternal and Neonatal Health Nursing- Philadelphia University- Jordan

Date of Birth: 2 / 3 / 1986

Marital Status : Married

Nationality : Egyptian

Religion : Muslim

Address : Kafr Shukr – Qalioubia

Mobile number : 01141337337

Work number : 0139101186

Fax number : 0139101187

Personal E- Mail : fatmakamal898@yahoo.com

University E-mail : fatma.ahmed@fnur.bu.edu.eg

2- Education:

Institution	Degree obtained	Year
Faculty of Nursing, Benha university	Bachelor in Nursing science	2007
Faculty of Nursing, Benha university	instructor	2010
Faculty of Nursing, Benha university	Assist. lecturer	2014
Faculty of Nursing, Benha university	Lecturer	2018

3-Qualifactions:

Degree	Faculty/University	Date/year
Bachelor in Nursing Science.	Faculty of Nursing Benha- University	2007
Master degree in Maternal and Newborn Health Nursing with title: The Effect of a Designed Educational Program on Menopausal Symptoms.	Faculty of Nursing Benha-University	2014
Doctorate degree in Maternal and Newborn Health Nursing with title: Effect Foot Reflexology on Pain and Outcome of Labour among Primipara	Faculty of Nursing Benha -University	2018

Position career:

1. Bachelor in Nursing Science with general grade excellent 2007
2. Internship year in Benha University Hospital from 1/9/2007 until 31/8/2008.
3. Demonstrator in the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing, Benha University 11/7/2010.
4. Assistant Lecturer in the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing, Benha University, 2/10/2014.
5. Lecturer in the Department of Obstetrics and Gynecology Nursing, Faculty of Nursing, Benha University, 28/3/2018.
6. Assistant professor in the Obstetrics and Gynecology Nursing, of Nursing, Benha University, 28/02/2023.

4- Published books and researches:

1. Ali, F. K., Abdelfatah, A. M., Haddad, R. H., AbdEl-Hamid, S. M., & Abuejheisheh, A. J. (2025). Influence of changing lifestyle using 5A's model on mental health issues and life quality among Egyptian women with polycystic ovary syndrome: A quasi-experimental study. *Nursing Forum*, Volume 2025, Article ID 8855489, <https://doi.org/10.1155/nuf/8855489>

Title Supervision of Master and Doctorate Thesis:

Master theses:

1. Knowledge and Attitudes among Pregnant Women regarding Urinary Tract Infection
2. Assessment of Knowledge and Attitudes of Female Nursing Student regarding Hepatitis B Virus Infection with Pregnancy
3. Application of Evidence Based Practices for Pregnant Women with Preeclampsia: A descriptive study
4. Knowledge and Attitude of Recently Aborted Women in relation Family Planning methods
5. Effect of educational package based on health belief model on nursing students knowledge and attitude regarding human papilloma virus and cervical cancer
6. Application of Olive Oil on Nipple during Late Pregnancy to Prevent Nipple Trauma during Lactation
7. Effectiveness of Instructional Tips of Sleep Hygiene in Improving Sleeping Disorders of Pregnant women and Their Effect on The Outcome of Pregnancy

8. Effect of an Educational Program on Knowledge and Self Care Practices of Pregnant Women regarding prevention of Puerperal Sepsis
9. Knowledge and Attitudes of female Nursing Students Regarding Breast Self-examination and Mammography
10. Pregnant Women's knowledge and Attitude Regarding Obstetric Fistula
11. Effect of Instructional Guideline regarding Genital Prolapse on Women's Knowledge and Post-operative Self-Care Practices
12. Effect of Coping Strategies Guideline regarding Alternative Therapy on Quality of Life among Menopausal women

Doctorate theses:

1. Effectiveness of Educational Intervention on Knowledge and Attitude of Maternity Nurses regarding Emergency Contraception
2. Nursing Intervention for Pregnancy Induced Hypertension Hospitalized and Home Group
3. Effect of Jigsaw learning Method on Theoretical and Practical Achievement of Technical Nursing Institute Students regarding the Second Stage of Labour
4. Effect of an Educational Program based on PRECEDE-PROCEED Model on Sexual Function and Health Behaviors among Women with Gestational Diabetes

5- Work Experiences in Theoretical and Clinical Teaching:

- Clinical Training of Internship Nurse Students at Benha University Hospital in the year 2010- 2011.
- Clinical Training "Obstetrics &Gynecological Nursing" for the third-year undergraduate nursing students at Faculty of Nursing, Benha University from 2010 until now.
- Theoretical teaching" Obstetric & Gynecological Nursing Course" for the third-year undergraduate nursing students at Faculty of Nursing, Benha University from 2018 until now.
- Participation in the preparation of the theoretical and practical books of the subject of obstetrics and Gynecological nursing for third year students.
- Teaching" Obstetrics &Gynecological Nursing Course" for the second-year

undergraduate nursing students at Technical Institute of Nursing, Benha University for the year 2019-2020 and participation in the preparation of the theoretical and practical books of obstetrics nursing and gynecology for them.

- Clinical Training “Obstetrics &Gynecological Nursing” to students of the Specialized Technical Diploma at the Faculty of Nursing, Benha University, for the academic year 2020-2021.
- Clinical Training “Basics of Specialized Nursing” to students of the Specialized Technical Diploma at the Faculty of Nursing, Benha University, for the academic year 2022-2023.
- Teaching the subject "Ethics in Nursing" for students of the first year of the Technical Institute of Nursing at Benha University, for the first semester of the academic year 2022-2023.
- Teaching course of "Nursing Advanced Specialty 1" for the second-year students of specialized technical program faculty of nursing, Benha University first semester of the academic year 2023-2024 and participating in the preparation of the theoretical book for them.

6- Languages:

- **Arabic: Mother Tongue**
- **English: Good command (written & spoken)**

7-Conferences and workshop:

- **Conferences**

- Actively Participated as Attendance in the 2nd Annual Student's Conference of the Faculty of Nursing, Benha University "Nursing, where & to where?" (2014/3/24).
- Actively Participated as Attendance in the 2nd Scientific Nursing Conference "The newest technology in nursing practice and nursing education" (2014/7/21).
- Actively Participated as Attendance in 3rd Conference of Benha Faculty of Nursing About: Nursing toward globalization (2015/12/14).
- Actively Participated as Organizer in the 2nd Scientific Day, Faculty of Nursing- Benha University (Woman Health Toward the Best Life) (24/4/2017).
- Actively Participated as Poster titled "Effect of Foot Reflexology on Relieving Premenstrual Syndrome" in the 4th Annual and 1st International Scientific Conference of the Faculty of Nursing, Benha University Nursing in

generation"Y": Challenges & Opportunities (19/7/2017).

- Actively Participated as Coordinator in the 4th Annual and 1st International student Conference "Nursing Students as Pioneers in Society Development" (15/4/2018).
- Actively Participated by Poster Presentation in the 5th Annual and 2nd International Nursing, Benha University. New Advances in Nursing Science and Practices "Nursing Vision 2030" (17/7/2018).
- Actively Participated as Attendance in the 1st Benha Faculty of Medicine Quality Conference "Requirements for Accreditation & Renewal of Accreditation of High Education Organization" (1-3/10/2018).
- Actively Participated as A Speaker in the 6th Annual and 3rd International Scientific Conference of Nursing Faculty, Benha University "Nursing Voice: International Standard and Competences" (31/7/2019).
- Actively Participated as Attendance in the 1st international & 3rd annual scientific conference of obstetrics and gynecological nursing department faculty of nursing-zigzag university "New Perspectives in Obstetrics, Gynecology Nursing and Women Health" (3/12/2019).
- Actively Participated by Talk in The Second National Scientific Maternity, Gynecology & Obstetrics Nursing conference Faculty of Nursing- Port Said University "New horizons towards maternity and obstetrics nursing" (1/4/2021).
- Actively Participated As Attendance in the 1 st Virtual 3rd International 6th Scientific Conference of Faculty of Nursing- Sohag University on 27/7/2021 "Challenges of Virtual Nursing Education and Future Opportunities "(27/7/2021).
- Actively Participated as Attendance in The 8th international and 2nd Virtual Scientific nursing conference " Nursing challenges, Opportunity and Aspiration During Digital Era" (6-7/12/2021).
- Actively Participated as Attendance in the 8th Annual Student's Conference of the Faculty of Nursing, Suez Chanal University "The Spread of Epidemics and Opportunities of Change in Nursing Education" (10/3/2022).
- Actively Participated by Poster in the 8th Annual and 5th International Scientific Conference of Faculty of Nursing- Benha University, Egypt "Climate Changes and Challenges in Nursing (3/11/2022).
- Actively Participated by Poster in The10th National Scientific Conference of

Faculty of Nursing, Damietta University " Comprehensive Health Care: Sustainable development for Egypt Vision 2030" (26-27/7/2023).

- Actively Participation during the International Research Meet Organized by Chirayu College of Nursing " Flourishing Future Nurse Leaders of Research by exploring nurses research Potential" (1-2/11/2023).
- Actively Participated by Poster in the 9th Annual Scientific International Conference of Faculty of Nursing, Suez Canal University in Collaboration with EDITH COWAN University, Australia Titled: "Health Disparities: Moving from Stability to Standardization". (8-9/11/2023).
- Actively Participated as Scientific Conference Secretary in The 7th Annual Scientific Conference of Obstetrics and Gynecological Nursing Department "Advanced Horizons in Maternal Health Nursing to Achieve Sustainable Development Goal" (26/11/2023).
- Actively Participated by Poster in the 9th Annual and 6th International Scientific Conference of Faculty of Nursing- Benha University, Egypt "Digital Health & Quality of Health Care" (6/12/2023).
- Actively Participated as Attendance in The10th Conference of Young Researchers, Faculty of Nursing, Tanta University "Youth Enthusiasm: The Deriving Force of The Nursing Profession" (12/12/2023).

Workshops:

- Actively participate in workshop titled “Evaluation and Accreditation Standards”. (31/1/2013).
- Actively participate in workshop titled "Breast cancer and how to prevent it" (22/5/2013).
- Actively participate in workshop titled "How to activate electronic courses" (26/6/2013).
- Actively participate in workshop titled "How to activate electronic courses" (26/6/2013).
- Actively participate in workshop titled “How to Use the Smart Board” (29/1/2014).
- Participation as an organizer in the activities of a workshop entitled “Reviewing the Descriptions of Graduate Studies Courses and Programs” (11/2/2014).
- Actively participate in workshop titled “Blue Print” (6/1/2016).

- Actively participate in workshop titled "Teaching Responsible Sciences at Benha University" (16/4/2016).
- Participation as an organizer in a workshop entitled “Principles of Industrial Security” (28/6/2018).
- Participation as a lecturer in a symposium entitled “How to protect against risks” (3/6/2018).
- Participation as an organizer in a workshop entitled “Confronting Crises and Disasters” (3/6/2018).
- Participation in the scientific lecture held via the web entitled “Selecting the topic and developing the initial plan for scientific research” (18/12/2019).
- Actively participate in workshop titled "Educational performance in universities and its impact on scientific research” (16/5/2020).
- Participation in the scientific lecture held via the web entitled “Creativity and Scientific Research” (4/12/2020).
- Participation in the scientific lecture held via the web entitled “Statistical Stages in Scientific Research” (21/12/2020).
- Actively participate in workshop titled "Factor analysis and its importance in analyzing scientific questionnaires” (7/4/2021).
- Participate by attending a webinar workshop entitled “Preparing Course Reports” (19/4/2021).
- Participation in the scientific lecture held via the web entitled “Scientific Research between Preparation and Supervision” (2/8/2021).
- Participation in the webinar workshop entitled “Success Strategies” (8/10/2021).
- Participation as a lecturer in an educational symposium entitled “Abnormal uterine bleeding for menopausal women” (12/2/2022).
- Participation in the activities of a workshop entitled “New Promotion Rules for Faculty Members” (26/3/2022).
- Participation in the activities of a workshop entitled “Sustainable Development and Egypt’s Vision 2030” (22/5/2022).
- Participation as organizer of the sixth scientific day of the Obstetrics and Gynecology Nursing Department (26/6/2022).
- Participating in attending a symposium for faculty members and their assistants at the college entitled “Digital Transformation in Practical and Oral Exams”

(7/3/2023).

- Participation by attending an introductory seminar for faculty members and their assistants at the college entitled “How to Use the Oski Laboratory” (24/5/2023).
- Participation by attending an introductory seminar for faculty members and their assistants at the college entitled “Introducing the Virtual Laboratory” at Faculty of Nursing – Benha University (19/7/2023).
- Participation as a lecturer in the activities of a workshop entitled “Policies and guidelines followed within laboratories” as part of preparations for the start of the 2023/2024 academic year, at Faculty of Nursing – Benha University (20/9/2023).
- Participate by attending an online workshop entitled “Using the Thinqe Platform,” which was held via the MS platform. TEAMS at the Faculty of Nursing, Benha University, on Saturday, 23/9/2023
- Participation as a “lecturer” in the introductory seminar on the new regulations for postgraduate studies with the credit hour system at Faculty of Nursing – Benha University (26/9/2023).
- Participating as a coordinator in the activities of a workshop entitled “Policies and Guidelines Followed in Laboratories” as part of preparations for the start of the 2023/2024 academic year. (30/9/2023).
- Participation (as an organizer) in the activities of the breast cancer awareness meeting “Your Awareness is Safety” at Faculty of Nursing – Benha University (22/10/2023).
- Participation (as a lecturer) in the activities of the breast cancer awareness meeting “Your Awareness is Safety” at Faculty of Nursing – Benha University (22/10/2023).
- Participation as a lecturer in workshop titled “Providing advice to women about family planning methods” at Benha university hospital. (20/10/2023).
- Participation in the scientific day of the Community Health Nursing Department - Beni Suef University with a presentation via Microsoft Teams entitled “Artificial Intelligence and its Applications in Community Health Nursing Services” (13/12/2023).
- Participate by attending a workshop entitled “How to prepare the test vocabulary” (26/2/2024).
- Delivering a scientific lecture entitled “Comprehensive Physiology of the Female Reproductive System” as part of the Physiology curriculum during the first

semester of the 2024/2025 academic year as a guest at Middle East University, Amman, Jordan, to promote academic exchange and openness to specialized scientific expertise. Thursday, January 2, 2025.

Quality Assurance-Related Roles:

- Member of the Quality Assurance Unit, Benha University, Egypt (2011–2024).
- Member of the Postgraduate Studies Standards Committee – Quality Assurance Unit, Faculty of Nursing, Benha University, Egypt (2013–2024).
- Deputy Coordinator of the Postgraduate Studies Standards Committee, Benha University, Egypt (2022–2024).
- Head of the Scientific Research Committee, Philadelphia University, Jordan (2024–Present).
- Coordinator of the Scientific Research, Scholarship, and Innovation Standards, Philadelphia University, Jordan (2024–Present).
