

Dr. Izz eddien Ananazeh

Ph D degree i n f i nance

I am a Dedicated individual with a strong passion for excellence in every task I undertake. My objective is to secure a position of prestige, allowing me to demonstrate my skills, creativity, and unwavering commitment. I have a deep-seated desire to provide valuable support to others, firmly believing that teamwork achieves success. I approach my work with the mindset that every challenge can be overcome, and I am fully committed to achieving success in all my future endeavors. In recent years, I have been working to develop myself in the field of financial technology (Fintech). By obtaining specialized certificates in the same field
