

DR. MOHAMMAD F. BAYAN

Biography

Dr. Mohammad F. Bayan is working as an Associate Professor of Pharmaceutics at faculty of Pharmacy in Philadelphia University, Amman, Jordan. The major focus of Dr. Bayan's research involves the development of controlled and triggered drug delivery systems using advanced and novel technologies. His work involves organic synthesis, synthesis and characterization of polymeric smart materials and performing drug release studies. Dr Bayan was awarded a scholarship from the Philadelphia University Jordan during his bachelor's study and a scholarship from Jordan University of Science and Technology (JUST) during his master's study. After finishing the master's degree, Dr. Bayan has worked as a part time lecturer in JUST and Philadelphia University; until he awarded, in 2014, a scholarship from the Philadelphia University Jordan to commence his PhD studies in Queen's University Belfast, UK. He is author of more than 40 publications and received funding from national and international grants (Jordan University of Science and Technology, Queen's University Belfast (UK), Teleflex Medical company (Boston, Massachusetts, USA), Philadelphia University, Jordan; Project number 511/34/100 PU, King Khalid University, Saudi Arabia; Project number RGP.2/31/43 and Najran University, Saudi Arabia; Project number NU/RG/MRC/12/20). Dr Bayan has presented his work at numerous international and national conferences such

as the 10th world meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology; 6th APS International PharmSci and 38th All Ireland Schools of Pharmacy Research Conference.

Educational Qualifications

PhD in Pharmacy, QUB, UK (2018).

Master Degree of Science in Pharmacy/Pharmaceutical Technology, JUST, Jordan (2013).

Bachelor's Degree in Pharmacy, Philadelphia University, Jordan (2010).

Academic Rank Timeline

- 2018 –2023 | Assistant Professor of Pharmaceutics. Faculty of Pharmacy, Philadelphia University.
 - 2023 – Present | Associate Professor of Pharmaceutics, Faculty of Pharmacy, Philadelphia University
-

Part-Time Lecturing Timeline

- First Semester (2013–2014)
 - Part-Time Lecturer (MSc) | Jordan University of Science and Technology (JUST)
 - *Course taught:* Pharmacy Practice Lab 1, Faculty of Pharmacy.
- Second Semester (2013–2014)
 - Part-Time Lecturer (MSc) | Jordan University of Science and Technology (JUST)
 - *Course taught:* Pharmacy Practice Lab 2, Faculty of Pharmacy.
- Summer Semester (2013–2014)
 - Part-Time Lecturer (MSc) | Philadelphia University
 - *Courses taught:* Pharmaceutics 1, Pharmaceutical Technology 1, Pharmaceutical Technology 2, Biopharmaceutics and Pharmacokinetics 1, Faculty of Pharmacy.
- First Semester (2018–2019)
 - Part-Time Lecturer (Assistant Professor) | Jordan University of Science and Technology (JUST)
 - *Course taught:* Drug Delivery Systems, Faculty of Pharmacy.

Administrative Experience

- **Member, Evaluation Committee** | Jordan Food and Drug Administration (JFDA)
 - *October 2025 – Present*
 - Tasked with evaluating medical device and supply registrations.
- **Head of Pharmacy Department** | Faculty of Pharmacy, Philadelphia University
 - *September 2023 – October 2025*
 - Managed departmental operations and provided leadership to faculty and staff.
- **Acting Dean of the Faculty of Pharmacy** | Philadelphia University
 - *April 30, 2025 – May 11, 2025*
 - Assumed interim leadership responsibilities for the faculty during this period.
- Lead, manage and develop the department to ensure it achieves the highest possible standards of excellence in all its activities.
- Maintain the general discipline of the students and staff of the Department.
- Conducting department faculty meetings and implementing curriculum development.
- Prepare the annual budget in consultation with Dean of the School for the financial year and submit it to the Registrar before the end of January of each year with necessary justification for the proposed additional laboratory spaces, if any and procurement of equipment, machinery, instruments, computer, software, etc.
- Appoint Class committees, Class Advisors, Faculty Advisors, etc. for the department.
- Arrange to pass the semester end examinations results by the Class Committee and forward it to the Controller of Examination / Dean, Academic Courses for publication and recording.
- Lab manual drafting and including modern methods of green experiments.
- Organized exit exam for graduating pharmacy students.
- Oversee the teaching performance, research activities and funded projects.
- Organize Seminars / Conferences / Symposium /Workshop / training programs in topics of relevance and importance to the department with financial support from external agencies.

- Documentation of Quality Assurance files at the faculty level, faculty council and the strategic planning activities.
 - Be responsible and accountable for setting and advancing the academic strategy of the Department in line with Faculty and University strategic plans and direction.
 - Participating in social activities and community services with students and faculty members.
 - Propose new programs/courses and increase the intake in consultation with Dean of the faculty.
-

Honours and Awards

- Researcher Plus Award, QUB, UK, June 2018.
 - Research publications award by Philadelphia University, 2023
 - Research publications and citations award by Philadelphia University, 2024
 - Research publications award by Philadelphia University, 2025
 - Research publications award by Philadelphia University, 2026
-

Editorial Service

- Evaluated the C2E project proposal (Ref: C2E/26/015) for a €697K research grant. The project focuses on "Colon drug delivery with poly(disulfide) based redox sensitive polymers" and was submitted by Principal Investigator Mario Smet.
- Guest Editor of a special issue of Molecules journal entitled "Chemistry and Applications of Polymers in Pharmaceuticals and Foods" https://www.mdpi.com/journal/molecules/special_issues/T2893LC4V0.
- Edited a book titled, "Polymers in Functional Foods and Drugs: Chemistry and Essential Applications" The publisher is Scrivener Publishing LLC in collaboration with WILEY by a joint venture known as Wiley-Scrivener, which is indexed in SCOPUS and Web of Science databases.
- Took part in the QS Global Academic Survey for 2022, 2023, 2024, 2025 and 2026/Times Higher Education World University Rankings for 2022, 2023, 2024, 2025 and 2026.
- Organizing committee member of the 5th World Congress and Expo on Nanotechnology and Materials Science (September 27-28, 2021, Dubai, UAE).
- Member of the United Kingdom and Ireland Controlled Release Society (UKICRS).

- e-Poster session evaluator in the Two days international e-Conference "EXPANDING FRONTIER OF PHARMACEUTICAL RESEARCH TOWARDS GLOBAL EXIGENCY" (15-16 October, 2020, organized by Dept. of Pharmaceutics, Karpagam College of Pharmacy, Coimbatore, TN, India).
- Member of the United Kingdom and Ireland Controlled Release Society (UKICRS).
- Reviewer for high impact international journals (AAPS PharmSciTech; Polymers; Cosmetics; International journal of nanomedicine; Pharmaceutics; Pharmaceutics; AAPS open; Annales pharmaceutiques françaises; Sustainability; Antibiotics; Applied sciences; Biomedicines; Biomimetics; ChemistrySelect; Clinical epidemiology; Coatings; Drug, healthcare and patient safety; Emergent materials; Folia microbiologica; Future Journal of Pharmaceutical Sciences; Molecules; Gels; Separations; Powders; International Journal of Molecular Sciences; Materials; Journal of functional biomaterials; International journal of biochemistry research and review; Journal of pharmaceutical research international; Journal of complementary and alternative medical research; Universal journal of pharmaceutical research; Journal of modern biology and drug discovery; Journal of multidisciplinary healthcare; Patient Preference and Adherence).
- Editorial Board Member of the Sumerianz Journal of Medical and Healthcare.
- Editorial Board Member of the Universal Journal of Pharmaceutical Research.
- Editorial Board Member of the International Journal of Innovative Research and Scientific Studies (IJIRSS).
- Editorial Board Member of the International Journal of Pharmaceutics and Drug Analysis (IJPDA).
- Editorial Board Member of Journal of Modern Pharmacology and Pathology

Research Area

Dr. Mohammad Bayan leads three themes within Novel Drug Delivery in the Faculty of Pharmacy; polymeric medical devices, Smart photoactive biomaterials and sensor development. The major focus of Dr. Bayan's research involves the development of controlled and triggered drug delivery systems using advanced and novel technologies. His work involves organic synthesis, synthesis and characterization of polymeric smart materials and performing drug release studies. A further area of research is in the development of biomaterials which are resistant to infection. In particular, his research exploits triggered drug delivery using light, heat, chemical or electrical stimuli to either modulate the properties of materials or directly release appropriate bioactive molecules.

Research Interests:

Pharmaceutics and Pharmaceutical Technology

Pharmaceutical Formulation

Stimuli-Responsive Polymers

Hydrogels and Microgels

Microparticles

Aerogels

Biomaterials

Nanotechnology

Microfluidic Technology

Supercritical Fluid Technology

Novel Drug Delivery

Controlled Drug Delivery

Triggered Drug Delivery

Taught Courses

Jordan University of Science and Technology (JUST)

- Second Semester (2010–2011)
 - Teacher Assistant. Pharmacy Practice Lab 2, Faculty of Pharmacy.
 - First Semester (2011–2012)
 - Teacher Assistant. Pharmacy Practice Lab 1, Faculty of Pharmacy.
 - Second Semester (2011–2012)
 - Teacher Assistant. Pharmaceutical Microbiology Lab, Faculty of Pharmacy.
 - First Semester (2013–2014)
 - Part time lecturer (MSc). Pharmacy Practice Lab 1, Faculty of Pharmacy.
 - Second Semester (2013–2014)
 - Part time lecturer (MSc). Pharmacy Practice Lab 2, Faculty of Pharmacy.
 - First Semester (2018–2019)
 - Part time lecturer (Assistant Professor). Drug Delivery Systems, Faculty of Pharmacy.
-

Queen's University Belfast (QUB, UK)

- Second Semester (2014–2015)
 - Demonstrator. Level II Pharmaceutical Technology: Solid Dosage Forms, School of Pharmacy.
- First Semester (2015–2016)
 - Demonstrator. Level II Pharmaceutical Technology: Extemporaneous Formulation and Dispensing, School of Pharmacy.

- Second Semester (2015–2016)
 - Demonstrator. Level II Pharmaceutical Technology: Solid Dosage Forms, School of Pharmacy.
 - First Semester (2016–2017)
 - Demonstrator. Level II Pharmaceutical Technology: Extemporaneous Formulation and Dispensing, School of Pharmacy.
 - Second Semester (2016–2017)
 - Demonstrator. Level II Pharmaceutical Technology: Solid Dosage Forms, School of Pharmacy.
-

Philadelphia University

- Summer Semester (2013–2014)
 - Part time lecturer (MSc). Pharmaceutics 1, Pharmaceutical Technology 1, Pharmaceutical Technology 2, and Biopharmaceutics
- Second Semester (2017–2018)
 - Assistant Professor. Pharmaceutics 1, Faculty of Pharmacy.
- First Semester (2018–2019)
 - Assistant Professor. Pharmaceutics 1 and Industrial Pharmacy, Faculty of Pharmacy.
- Second Semester (2018–2019)
 - Assistant Professor. Pharmaceutics 1 and Industrial Pharmacy, Faculty of Pharmacy.
- Summer Semester (2018–2019)
 - Assistant Professor. Industrial Pharmacy, Special Topics and Cosmetics, Faculty of Pharmacy.
- First Semester (2019–2020)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 2, Faculty of Pharmacy.
- Second Semester (2019–2020)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Summer Semester (2019–2020)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- First Semester (2020–2021)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 2, Faculty of Pharmacy.

- Second Semester (2020–2021)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Summer Semester (2020–2021)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- First Semester (2021–2022)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Second Semester (2021–2022)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Summer Semester (2021–2022)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 2, Faculty of Pharmacy.
- First Semester (2022–2023)
 - Assistant Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Second Semester (2022–2023)
 - Associate Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- Summer Semester (2022–2023)
 - Associate Professor. Industrial Pharmacy and Pharmaceutics 1, Faculty of Pharmacy.
- First Semester (2023–2024)
 - Associate Professor. Pharmaceutics 1, Faculty of Pharmacy.
- Second Semester (2023–2024)
 - Associate Professor. Pharmaceutics 1, Faculty of Pharmacy.
- Summer Semester (2023–2024)
 - Associate Professor. Physical Pharmacy, Pharmaceutics 1 and Pharmaceutics 2, Faculty of Pharmacy.
- First Semester (2024–2025)
 - Associate Professor. Pharmaceutics 2, Faculty of Pharmacy.
- Second Semester (2024–2025)
 - Associate Professor. Pharmaceutics 1 and Pharmaceutics 2, Faculty of Pharmacy.

- Summer Semester (2024–2025)
 - Associate Professor. Pharmaceutics 1 and Pharmaceutics 2, Faculty of Pharmacy.
 - First Semester (2025–2026)
 - Associate Professor. Advanced Drug Delivery Systems, Pharmaceutics 1, Pharmaceutics 2 and Pharmaceutical Ethics and Legislations, Faculty of Pharmacy.
 - Second Semester (2025–2026)
 - Associate Professor. Industrial Pharmacy, Pharmaceutics 1 and Pharmaceutics 2, Faculty of Pharmacy.
-

Conferences, Workshops, Training and Activities

- June 2026: Participated as an external examiner on the master's thesis defense committee for student Rafif Jalal Ali Al-Jazazeen at the Faculty of Pharmacy, Isra University (4 June 2026). Her thesis was titled: "Investigating the antinociceptive effects of Varthemia iphionoides in mice."

- May 2026: Health Exchange Virtual Knowledge Series: Pharmacy Pulse | Maarefah Medical Education, ECPS, & EMA (20 May and 23 June 2026). Attended the specialized clinical webinar focusing on CAR T-Cell Therapy advancements, expanding clinical knowledge in cutting-edge oncological immunotherapies and advanced pharmacy practices.

- May 2026: Attended Horizon Europe MSCA Infoday (6 May 2026): Focused on Doctoral Networks in Algeria, Jordan, Morocco. The main objective of this MSCA Infoday is to increase Algeria's, Jordan's and Morocco's participation in Marie Skłodowska-Curie Actions (MSCA), with a particular focus on Doctoral Networks (DN) while also providing an overview of the other MSCA schemes.

- April 2026: Helped organize an exploratory visit to the Royal Botanic Garden in the Tel al-Rumman area. Thirty-five team members of the Pharma Heart club participated in the visit, which included an introductory tour of the site, learning about the plants, their therapeutic and medicinal benefits. The visit also highlighted the role of young pharmacists not only in the therapeutic field but also as active contributors to community service, channeling their energy into development projects.

- March 2026: Helped organizing a series of charitable initiatives during the holy month of Ramadan. These initiatives were part of the Pharma Heart club efforts to promote social solidarity and instill the values of volunteerism among students and graduates in the health sector. The initiatives included a group Iftar (fast-breaking meal) entitled "A Child's Smile", which targeted approximately 150 children from underprivileged families and orphans. In a related effort, team members conducted a field campaign to prepare and distribute 150 food parcels. Volunteers oversaw the preparation and packaging of the parcels, ensuring they contained the basic necessities for the beneficiary families.

- February 2026: I served as an External Examiner for the Master of Pharmacy program at the University of Mosul, contributing to the institution's international accreditation goals through a comprehensive audit of the educational system, curricula, and assessment mechanisms. Engaged in high-level strategic planning with the University Presidency and Quality Assurance Department to align academic programs with global labor market demands. Facilitated academic exchange by delivering specialized lectures, conducting field assessments of research infrastructure, and establishing joint supervision agreements for graduate dissertations. (15-17/2/2026).

- February 2026: I had the privilege of attending the Second Specialized Youth Pharmacy Forum (Amman, Jordan), an event organized by Dr. Mandala that highlighted four emerging pillars of industry: Nuclear Pharmacy, Digital Pharmacy, Pharmacoeconomics, and Quality, Accreditation, and Health Control. (3-5/2/2026).

- December 2025: Coordinated a "Communication and Interpersonal Skills" workshop to bridge the gap between academic learning and labor market requirements. (30/12/2025).

- December 2025: Co-organized a comprehensive orientation for the PharmaHeart club, implementing interactive segments to integrate new students and promote community-engaged learning (23/12/2025).

- December 2025: Attended a virtual workshop titled "Beyond the Copy-Paste Generation: Rethinking Assessment in the Age of AI" organized by The British Council on 4th December 2025.

- December 2025: On Wednesday, December 3, 2025, I was recognized during an honoring ceremony for my contributions at the Faculty of Pharmacy, Philadelphia University.

- December 2025: Attended a capacity building workshop titled "Active Pedagogies for Critical Thinking in A Changing World" organized by The British Council Jordan on 3rd December 2025.

- November 2025: Participated in a UK alumni reception held at the British Ambassador's residence on Wednesday, November 26, 2025. The British Council organized the gathering to celebrate the global impact of graduates from British universities. The event provided a unique environment for attendees from diverse academic and professional backgrounds to expand their professional networks and exchange ideas. The evening, held in a refined diplomatic atmosphere, featured insightful dialogue that strengthened communication and collaboration among members of the UK higher education community. In closing, Dr. Bayan expressed his gratitude to the British Embassy for the kind invitation and warm hospitality.

- November 2025: Attended and helped organize an awareness lecture entitled "Life After University," presented by pharmacist Dr. Hamdi Al-Qasoul., on Saturday 22/11/2025 at Philadelphia University.

- November 2025: Attended The 3rd International Online Conference on Polymer Science: Polymer Science and Technology: When Progress Meets Sustainability and Reliability (IOCPS 2025), organized by Polymers from 19 to 21 November 2025 on the MDPI Sciforum platform.

- November 2025: Delivered a training workshop to pharmacy students at Al-Isra University in Jordan in collaboration with Dr. Mandala Company. The workshop covered a range of advanced topics, including modern opportunities in the pharmaceutical industry, career development paths, and the technologies used in drug development and design. It also included interactive discussions and direct Q and A sessions to enhance students' understanding of the challenges and promising future of the pharmaceutical sector, as well as to bridge the gap between academic knowledge and practical applications. This workshop provided students with a valuable opportunity to learn about key career paths in the modern pharmaceutical industry and helped them understand the essential requirements of the job market and how to develop their skills to meet the sector's needs, November 19, 2025.

- November 2025: Attended an awareness lecture delivered by Dr. Ahmed Al-Rusasi and Naratech Company, represented by Dr. Ruba Al-Rahahleh, and coordinated by Dr. Rana Al-Sulaiman, for Philadelphia Pharmacy students, which discussed job opportunities for pharmacists., November 17, 2025.

- October 2025: Organized a training workshop for my students who are enrolled in the Advanced Drug Delivery Systems course. The workshop was presented by a team from Dr. Mandala Company, led by Dr. Banan Abu Al-Homs, the company's CEO. The workshop addressed the professional opportunities available to pharmacists in the Jordanian job market, highlighting the most prominent challenges that new graduates may face, October 25, 2025.

- October 2025: Attended a training workshop entitled: Fundamentals of Patents and Patent Search, organized by the Faculty of Engineering Technology at Al Hussein Technical University in the King Hussein Business Park, and presented by colleague Dr. Ghina Abu Dhiab (Associate Professor at the Faculty of Pharmacy - Yarmouk University and Head of the Technology Transfer Department at the Deanship of Scientific Research), October 20, 2025, in Amman, Jordan.

- October 2025: Participated in a networking session between Arab and Chinese universities, aimed at discussing mechanisms for joining cooperation groups, with representatives from 12 Chinese universities in attendance. This was part of the "10+10" program held on the sidelines of the Second International Conference on Universities and Artificial Intelligence Technology, October 19, 2025, in Amman, Jordan.

- October 2025: Attended a meeting dedicated to leading universities from both the Arab world and China, to discuss mechanisms for bilateral cooperation within the "10+10" program. Saturday, October 18, 2025, in Amman, Jordan.

- October 2025: Participated as a speaker on a panel discussion titled "Pharmacists as Healthcare Leaders: New Specialties in Action" during the First Youth Pharmacist Forum which was held in Amman 2-4 October 2025, The event was attended by approximately 300 students and pharmacists, and included academics from regulatory institutions and Jordanian and Arab universities, with the attendance of the President of the Jordan Pharmacists Association, Dr. Zaid Rawhi Al-Kilani, and members of the JPA Council.

- August 2025: Organized an industrial visit for a group of pharmacy students at Philadelphia University to Jordan River Pharmaceutical Industries L.L.C. (Joriver). This visit helped the students to understand the link between academia and the industry as well as encouraged them to invest their skills and abilities to find solutions to a number of issues and challenges facing the pharmaceutical field. Dr. Bayan also met with the company's General Manager, Dr. Rami Sabarini, to discuss potential collaboration between the university and the company in the areas of scientific research and pharmaceutical development. (Wednesday 20 August 2025).

- July 2025: Participated as a member of the examination committee (written and oral) for practicing the pharmacy profession in Jordan, which was held by the Jordanian Pharmacists Association for pharmacists, who graduated from non-Jordanian universities. Pharmacists who pass both parts of the examination (written and oral) will be eligible to practice the profession in Jordan and become members of the Association. (31 July 2025).

- June 2025: Participated in the International Excellence in Teaching Program (ITEP 2025), organized by the Chandigarh Group of Colleges, India, with broad international participation, including representatives from universities from more than 10 countries, such as Canada, Australia, South Africa, France, and others. My participation included delivering scientific lectures and research workshops to the staff members at the College of Pharmacy, affiliated with the Chandigarh Group of Colleges. The topics presented focused on innovations in controlled and stimulated drug delivery systems: from concept to clinical application, in addition to reviewing the latest developments in nanotechnology and microfluidics as platforms for developing drug delivery systems. During my participation in the program, the guest of honor, Mr. Deepak Anand, Member of Parliament for Ontario, Canada, honored me with a commemorative trophy in appreciation of my valuable contribution. (23-28 June 2025).

- June 2025: Organized the eighth scientific day of the Faculty of Pharmacy at Philadelphia University, which was held on Monday, June 16, 2025, at Philadelphia University Theater. The scientific day featured several specialized scientific sessions, addressing important topics such as promoting health through proper nutrition, managing global supply chains, artificial intelligence applications in the pharmaceutical sector, digital transformation in the rational use of medicines, and pharmacovigilance.

- June 2025: Participated in a research symposium held at Al-Isra University, where I delivered a scientific lecture on the latest developments in my research in the field of pharmacy. The symposium included a presentation and discussion on the use of advanced technologies in the manufacture and development of pharmaceutical preparations, highlighting the importance of innovation in improving the effectiveness and quality of pharmaceutical products (4 June 2025).
- May 2025: Attended and helped organize the "Pharmacy Oath" ceremony for the students expected to graduate by the end of the second semester 2024/2025, Saturday 31/5/2025.
- May 2025: Organized a scientific and training visit to the Stem Cell Therapy Center at the University of Jordan. The visit aimed to inform students of the latest developments in the field of stem cells and their therapeutic uses in Jordan, through direct interaction with specialists and benefiting from the center's practical expertise (26 May 2025).
- May 2025: Organized an awareness campaign on the dangers of smoking, targeting local communities entitled "Make this day the beginning of your independence from smoking", aimed to spread health awareness about the dangers of smoking, most notably chronic diseases, cancer, and its negative effects on the environment and society (24-27 May 2025).
- May 2025: Attended the 4th International Electronic Conference on Antibiotics: Challenges and Strategies for the Antibiotic Resistance Crisis (ECA 2025), organized by Antibiotics from 21 to 23 May 2025 on the MDPI Sciforum platform.
- May 2025: Attending a scientific workshop on IKA's various devices and applications, which was held at the Mövenpick Hotel Amman, Tuesday 6 May 2025, organized by the Modern Scientific Supplies Corporation.
- April 2025: Attending a seminar entitled "The New US Customs Tariff and Its Impact on the Global Economy in General and the Jordanian Economy in Particular," held by the Jordanian Academics Association in cooperation with Philadelphia University, on Wednesday, April 30, 2025, at the Nursing Theater, Philadelphia University.
- April 2025: Organized a scientific and training visit to Prince Hamzah Hospital to enhance student's practical skills, on Tuesday 8/4/2025. This visit aimed to enhance students' knowledge and skills in the field of practicing the pharmacy

profession. During the visit, I delivered an awareness lecture in the hospital theater titled "The Role of Artificial Intelligence in Pharmacy and Automation of Drug Information".

- April 2025: Organized a meeting for the new students with faculty members, on Sunday 6/4/2025. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.

- January 2025: Attended and presented my work as an oral presentation and poster at the Second AAU International Conference on Pharmacy and Biomedical Sciences and the Third AAU Health and Biomedical Postgraduate Symposium "Innovations in Pharmacy Nutrition and Biomedical Research Towards A Healthier Tomorrow", organized by Al Ain University, Abu Dhabi, UAE, 22-23 January, 2025.

- January 2025: Helped in organizing an awareness campaign entitled: smoking is the enemy of health and life, which was held in Philadelphia University (1-5, January 2025).

- January 2025: Poster presentation at the 5th International Conference on Science Engineering of Materials (4-7, January 2025, Physics Department, Sharda School of Basic Sciences and Research, Sharda University, India).

- December 2024: Attended and helped organize the "Pharmacy Oath" ceremony for the students expected to graduate by the end of the first semester 2024/2025, Tuesday 31/12/2024.

- December 2024: Participated and represented Philadelphia University in a training workshop on the UNESCO Chairs Program and the UNITWIN Network for University Professors in Public and Private Universities, organized by the Jordanian National Commission for Education, Culture and Science on Monday 12/2/2024 at Olive Tree Hotel, Amman.

- November 2024: Attended and helped organizing an Awareness lecture on career pharmacy paths delivered by Dr. Khaled Khreisat, founder of JAIP to link pharmaceutical industries with academia, on Monday 18/11/2024 at Philadelphia University.

- November 2024: Organized a meeting for the new students with faculty members, on Tuesday 12/11/2024. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.
- November 2024: Meeting with the regional Head of McGraw Hill Publisher Mr. Hugh Bayati and Asaad Haj Asaad the regional account Manager on Tuesday 12/11/2024 to discuss with how they can serve our pharmacy department with their product Access Pharmacy.
- November 2024: Attended 2024 UKICRS Virtual Seminar, organized by the United Kingdom and Ireland Controlled Release Society (UKICRS), 6 November, 2024.
- October 2024: Organizing and delivering a training workshop entitled "Measuring learning outcomes at the program level on the educational platform-Moodle", for the pharmacy faculty members at Philadelphia University, on Wednesday 23 October 2024.
- September 2024: Poster presentation at the 11th Edition of Global Conference on Pharmaceutics and Novel Drug Delivery (19-21 September, 2024, NH Roma Villa Carpegna, Rome, Italy).
- August 2024: Attended and presented my work as an oral presentation at the International Conference on Chemistry and Chemical Engineering (ICCCE-2024), organized by United Research Forum, Hotel Grand Central, Singapore, 16-17 August, 2024.
- May 2024: Attended and presented my work as an oral presentation at the Global Meet on Pharmaceutics and Drug Delivery (GMPDDS2024), organized by Prime Meetings, 14 May, 2024.
- April 2024: Attended "Excellence in Peer Review: How to be an effective peer reviewer" webinar (24 April, 2024), organized by Peer Review Systems Webinars.
- April 2024: Attended "Taylor and Francis Author Services Guide on How to Prepare the Manuscript" webinar (23 April, 2024), organized by Taylor and Francis Group.

- April 2024: Attended and presented my work as an oral presentation at the 2nd International Meet on Polymer Science and Composite Materials (POLYMERMEET2024), organized by Albedo Meetings, 18 April, 2024.
- March 2024: Attended and helped organizing a seminar about the "Diabetic Foot" at Philadelphia University on Saturday 9/3/2024.
- January 2024: Attended and helped organizing the "Pharmacy Oath" ceremony for the students expected to graduate by the end of the first semester 2023/2024, on Monday 15/01/2024. The ceremony has included an introductory lecture on the conditions and requirements for practicing the pharmacy profession in Canada.
- December 2023: Attended and presented my work as an oral presentation at the 17th International Conference on Chemistry and Medicinal Chemistry, organized by Allied Academies, 4 December, 2023.
- November 2023: Organized an awareness day in Utopia International School and Kindergarten, in Salt, on Sunday 19/11/2023.
- November 2023: Attended the Eleventh Conference on Scientific Research in Jordan, organized by the Jordan Society for Scientific Research, Entrepreneurship, and Creativity (JSSREC), in partnership with Amman National University, 11 November, 2023.
- November 2023: Attended 2023 UKICRS Virtual Seminar, organized by the United Kingdom and Ireland Controlled Release Society (UKICRS), 8 November, 2023.
- November 2023: Attended and helped organize a free medical day at Philadelphia University in cooperation with Telescope Eye Medical Center on Monday 6/11/2023.
- October 2023: Organized a meeting for the new students with faculty members, on Sunday 29/10/2023. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.
- September 2023: Attended and presented my work as an oral presentation at the second International Forum on Biopolymers and Polymer Science (POLYMERFORUM2023), organized by Continuum Forums, 4 September, 2023.

- May 2023: Attended ASU-UNICAM Pharmacy Scientific Day 2023, organized by ASU, Jordan, 21 May, 2023.

- May 2023: Attended the joint scientific day of the faculty of Allied Medical Sciences and faculty of Pharmacy-Philadelphia University "Food and Drug Security: Challenges and Opportunities" (16 May, 2023, Philadelphia University, Jordan).

- April 2023: Attended and presented my work as an oral presentation at the Global E-Conference on Chemistry and Chemical Engineering 2023, organized by United Research Forum, UK, 5-6 April, 2023.

- March 2023: Help organize an industrial visit for a group of pharmacy students at Philadelphia University to Pharma International Company (PIC) factory. This visit helped the students to understand the link between academia and the industry as well as encouraged them to invest their skills and abilities to find solutions to a number of issues and challenges facing the pharmaceutical field (Wednesday 22 March, 2023, Qastal, Amman, Jordan).

- February 2023: Attended and presented my work as an oral presentation at the International Conference on Chemistry and Pharmaceutical Chemistry, Theme: Novel Techniques and Approaches in the field of Chemistry and Pharmaceutical Chemistry, organized by Sciencezo Planet, UK, 10-11 February, 2023.

- December 2022: Attended and presented my work as an oral presentation at the International Conference on Recent Advances in Chemistry 2022, organized by United Research Forum, UK, 8-9 December, 2022.

- November 2022: Attended Polymers-eCon2022 Conference, organized by The Research Catalyst, 23-24 November, 2022, online. some of my work was presented in this conference as an oral presentation.

- November 2022: Attended and presented a poster at the 1st International Conference of the Faculty of Sciences Faculty of Pharmacy at Isra University. The 17th Jordanian Chemical Conference (JCC17). " Prospects for Chemical and Pharmaceutical Industries" (ICPCPI). 2022, 15-16 November, 2022, Isra University, Amman, Jordan.

- October 2022: Organized a meeting for the new students with faculty members, on Sunday 30/10/2022. During the meeting, I delivered a speech focusing on the importance of studying and working hard, teamwork, the need for optimism and self-confidence, participation in extracurricular activities and helping others. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.
- October 2022: Attended and presented a poster at Al-Zaytoonah International Pharmaceutical Conference 2022 (18-20 October, 2022, Amman, Jordan).
- June 2022: Attended the 6th Scientific day of the faculty of Pharmacy-Philadelphia University "Immunotherapy: History and Developments" (8 June, 2022).
- March 2022: Participated in organizing "Our Health Deserves" initiative, which was held in Al-Rahmaniya Mixed School, in the village of Marsa, on Sunday 03/20/2022, in cooperation with the Directorates of Education, Health and Community Police in Jerash Governorate.
- January 2022: Organized the "Pharmacy Oath" ceremony for the students expected to graduate by the end of the first semester 2021/2022, on Sunday 02/01/2022. The ceremony included an oath of commitment the students make to the pharmacy profession and the health of the patients they serve.
- November 2021: Organizing a meeting for the new students with faculty members, on Monday 11/15/2021. During the meeting, I delivered a speech focusing on the importance of studying and working hard, teamwork, the need for optimism and self-confidence, participation in extracurricular activities and helping others. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.
- November 2021: Attended Dubai International Gastroenterology Congress, held in Conrad, Dubai and Virtually on 04-05 November, 2021, organized by Maarefah.
- June 2021: Attended the "6th Annual Dubai International Conference on Infectious Diseases Vaccination" (17-19 June, 2021), organized by Maarefah.
- June 2021: Attended "The MENA Pharmacy Congress" (10-12 June, 2021), organized by Maarefah.

- May 2021: Attended "The 3rd Annual Arab International Pharmacy Congress" (25-27 May, 2021), organized by Maarefah.
- April 2021: Attended "Pharmacy Educational Webinar Series" (20 April, 2021), organized by Maarefah.
- April 2021: Attended "The School of Pharmacy 2021 Conference. Theme: Recent Updates in Pharmacy and Pharmaceutical Sciences" (7-8 April, 2021), organized by the school of Pharmacy, the University of Jordan.
- April 2021: Attended "COVID-19: What do we know so far?" webinar (2 April, 2021), organized by Jordan Pharmacists Association.
- March 2021: Attended "Genomics-led solutions for all life on Earth" webinar (25 March, 2021), organized by Frontiers.
- March 2021: Attended "10 Must-Know Cost-Saving Tips Before You Buy and Install Universal Testing Machines" webinar (24 March, 2021), organized by Shimadzu Middle East and Africa.
- March 2021: Attended "Jordan Nano-Symposium 2021" (16-18 March, 2021), organized by the Nanotechnology Center at the University of Jordan.
- March 2021: Attended "How to Optimise qPCR Assays for Rapid and Reproducible Results" webinar (18 March, 2021), organized by Antylia Scientific.
- March 2021: Attended the scientific lecture "Covid 19 : Drugs and Vaccines Update" (12 March, 2021), delivered by Dr. Derar Bala'awi In collaboration with Philadelphia Pharmaceuticals Company.
- March 2021: Attended "3rd Annual Saudi International Vaccination Forum and 3D Exhibition" (9-11 March, 2021), organized by Maarefah.
- November 2020: Attended "Managing Allergic Symptoms in COVID-19 times" webinar (30 November, 2020, organized by Saudi Pharmaceutical Society, Riyadh, Kingdom of Saudi Arabia).
- November 2020: Attended "Think you know HPLC? Well things have changed!" webinar (25 November, 2020, organized by Integrated Scientific Solutions, Dubai, United Arab Emirates).

- October 2020: Attended Two days international e-Conference on EXPANDING FRONTIER OF PHARMACEUTICAL RESEARCH TOWARDS GLOBAL EXIGENCY and participated as an evaluator for the poster presentations (15-16 October, 2020, organized by Dept. of Pharmaceutics, Karpagam College of Pharmacy, Coimbatore, TN, India).

September 2020: Conducted training for members of Faculty of Pharmacy in Philadelphia University on how to use "iSpring Suite Authoring Tool for Moodle LMS" on Thursday 10/09/2020.

- December 2019: Organizing a visit for a group of Philadelphia pharmacy students to Al-Amal Center for disabled. During the visit, some educational gifts were presented to the children and the students participated with them in some entertainment activities, in addition to having breakfast with them (Wednesday 18/12/2019).

- December 2019: help organizing a medical day entitled "The health of our adults concerns us" on Tuesday 10/12/2019. The activities on this day included a lecture on the topic Dementia disease, and a number of tests were performed for the attendees, such as measuring vision level, measuring blood pressure and blood sugar level. The Community Service Committee presented and distributed a number of awareness brochures about chronic diseases and related to the elderly. A number of pharmaceutical companies also participated by displaying their products and distributing some free samples to the audience.

- November 2019: Organized the Pharmacy Cake's Day, which is a charitable activity in the form of an entertainment competition, the proceeds of which were raised to support the low-income students, Thursday 11/14/2019.

- November 2019: Help organizing an intensive training workshop (two days) aimed to raise awareness of mental illnesses.

- November 2019: Organized a visit to the Al-Amal Center for disabled on Sunday 3/11/2019. The volunteers gave some gifts to the children and participated in some entertainment games, in addition to having lunch with them.

- October 2019: Organizing a meeting for the new students with faculty members, on Thursday 10/31/2019. During the meeting, I delivered a speech in the form of a short success story for graduates at Philadelphia University, as I have studied, graduated and sponsored by the university to do a PhD in a world class university. The ceremony included a number of introductory videos and awareness-raising tips, in addition to other entertainment competitions.

- October 2019: Organizing an entertainment activity for students at Faculty of Pharmacy / Class 2016, which was held on Thursday 10/24/2019. The ceremony included many educational and creative events and competitions, in addition to showing the talents and creativity of students.

- September 2019: Chair of Community service, extracurricular and Social Activities Committee at Faculty of Pharmacy, Philadelphia University.

- May 2019: Participating in a volunteer activity with a group of pharmacy students at Philadelphia University - a Ramadan Iftar with orphans and poor children in Ghamadan Zoo organized by Jordan Volunteers Team. The volunteers accompanied the children on a tour in the zoo and participated them in some entertainment games as well as the Iftar (Saturday 11 May, 2019, Ghamadan Zoo, Amman, Jordan).

- April 2019: Help organising an industrial visit for a group of pharmacy students at Philadelphia University to Pharma International Company (PIC) factory. This visit helped the students to understand the link between academia and the industry as well as encouraged them to invest their skills and abilities to find solutions to a number of issues and challenges facing the pharmaceutical field (Wednesday 3 April, 2019, Qastal, Amman, Jordan).

- February 2019: Attended Shimadzu seminar for universal testing machine [Material Testing Instruments (Tensile, Compression) and Applications] organised by Modern Scientific Supplies (MSS) (25 February, 2019, Le Grand Amman Managed by AccorHotels, Jordan).

- February 2019: Attended the info seminar day on Newton-Khalidi Fund "Researcher Links Workshops" organised by British Council (19 February, 2019, Grand Hyatt Amman, Jordan).

- January 2019: Attended the ASU Pharmacy Fourth International Conference "Recent Trends in Postgraduate Research" (5-6 Jan, 2019, Applied Science Private University, Jordan).
- September 2018: Attended the Regional Info Day-North of Jordan organized by the National Erasmus+ Office - Jordan (26 September, 2018, JUST, Jordan).
- May 2018: Attended the 4th Scientific day of the faculty of Pharmacy-Philadelphia University "Novel Drugs: Chemistry and Design" (9 May, 2018, Philadelphia University, Jordan).
- April 2018: Attended the 1st International conference of the faculty of Pharmacy-Mutah University "Modern techniques in pharmaceutical sciences" (18-19 April, 2018, Kempinski Hotel Ishtar Dead Sea, Jordan).
- February 2018: Attended 'Predone' launch seminar organised by Hikma pharmaceutical company (21 February, 2018, Amman Marriott Hotel, Jordan).
- May 2017: Help organising the QUB school of pharmacy research day, where the postgraduate students from different research groups get the opportunity to present their work orally or as posters and discuss it with each other. This research day was held on Wednesday 17th May in Malone Lodge Hotel, Belfast, UK.
- April 2017: Nominated as a Course Representative of the year for the Faculty of Medicine, Health and Life Sciences at QUB.
- February 2017: I participated in the "ask the panel" session in the postgraduate research induction day at QUB, which gave me the opportunity to reflect on my experiences as a PhD student at QUB.
- October 2016: I have been elected as a Course Rep. for PhD level 3 students at QUB school of pharmacy. I have acted as a link between the students of my level and the school staff through listening to the students' views and feeding these back to the staff members at the PGSSCC meetings.
- October 2016: I have participated in the "ask the panel" session in the postgraduate research induction day at QUB, which gave me the opportunity to reflect on my experiences as a PhD student at QUB.
- August 2016: I had the opportunity to visit Teleflex Medical company (Boston, Massachusetts, USA) and Harland Medical systems company (Minneapolis,

Minnesota, USA), which helped me gain the experience of how the work carried out at PhD level can be translated to industry.

- April 2016: Attended and presented my work as a poster at the 10th world meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology (4-7 April, 2016, Scottish Exhibition and Conference Centre, Glasgow).

- March 2016: Attended and presented my work as an oral presentation at the 38th All Ireland Schools of Pharmacy Research Conference (21-22 March, 2016, Royal College of Surgeons in Ireland, Dublin).

- October 2015: I have been trained and acted as a 1-1 Peer Mentor for postgraduate research as well as taught students from October to May 2016, and this gained me great experience in dealing with issues and providing advice to postgraduate students.

- September 2015: Help organising the School of Pharmacy Career Development Symposium, which was held on Thursday 17th September 2015 in the lecture theatre, School of Pharmacy at Queen's University Belfast.

- September 2015: Attended and presented my work as a poster at the 6th APS International PharmSci Conference (7-9 September, 2015, East Midlands Conference Centre, Nottingham).

- March 2015: Attended the 37th All Ireland Schools of Pharmacy Research Conference (30-31 March, 2015, School of Pharmacy, Queen's University Belfast).

- October 2009: Ambassador participant (October to July 2010) in the health and traffic ambassadors' project of the Royal Health Awareness Society (RHAS), Amman, Jordan.

- February 2009: Attended the business ethics course via INJAZ organisation from February to June 2009 at Philadelphia University, Jordan.

- October 2009: Attended the principles of true citizenship workshop (21-24 October 2009) at Amman Youth House, Jordan.

- April 2008: I have been elected as a Representative for the Faculty of Pharmacy at the student Union of Philadelphia University.
