Mobile Phone: 00962777138586

Rabia H. Haddad, RN, MSN, CNS-PMHN, PhD, is committed to enhancing research skills in both academic and clinical settings. He received his Master's Degree in Psychiatric-Mental Health Nursing from the University of Jordan in 2016. Rabia has a special interest in studying the variables that influence the ability of adults diagnosed with Psychiatric Disorders to manage their disease, promote understanding of these variables, and develop interventions that are beneficial for them. He is certified as an Advanced Practice Psychiatric and Mental Health Nurse Specialist from JNC in 2021. He has completed his doctoral studies in the PhD in Nursing program at the University of Jordan.

Education Data

● **The University of Jordan.**
Doctor of Philosophy (PhD) in Nursing,
Psychiatric-Mental Health Nursing.
Faculty of Graduate Studies, from 2021 to 2024
Amman, Jordan
Dissertation Title: ***The Effectiveness of Using Eye Movement Desensitization and Reprocessing on Well-being and Severity of Symptoms among Patients Experiencing Moderate to Severe Symptoms of Post-Traumatic Stress Disorder.***
Grade: Excellent 3.77 out of 4

● **Jordanian Nursing Council (JNC).**
Specialization Board of Nursing, after accomplishing the requirements and passing the written examination successfully.
Granted the title of **Advanced Nurse Specialist/Psychiatric and Mental Health Nursing.**
Issued on 26/ December/2021
Amman, Jordan
